### **Topics Discussed:**

Since the document and ending date is due next week, we are doing our last arrangements on Meetly requirements document. The last meeting is next week to confirm that diagram is drawn as it is supposed to, and then we are done with the document. As far as coding, we have advanced on our system. We have already programmed most of the web client and are working on the mobile client. Soon we will make the connection between the two systems and deploy in the server.
